The Achievable Dream Difference

At AAD, we are proud of our Dreamers' success! YOUR support will help us continue to provide resources and opportunities to help level the playing field for our students.

- 100% on-time graduation rate.
- 90% of the Class of 2019 graduated with advanced studies diplomas.
- 90% - 95% of graduates attend college;
- 5% - 10% join the military or enter the workforce.

It costs \$2,200 per student, per year, to provide AAD's Social, Academic, and Moral Education (SAME™) framework. You can help support our Dreamers and build a foundation for success for students like Diamond.

Will you help make dreams a reality?

By donating auction items for the 2019 Tennis Ball Live and Silent Auctions, you are helping make dreams come true! Popular auction items include:

- Collectible items
- Gift certificates for restaurants and local attractions
- High-end home decor or furniture

Diamond Lamberty
